On the slopes of Ta - ble Moun - tain, neath the shade of De - vil's
There's many a good old com - rade who has won for us glory and

Peak In the old Cape Gover - ner's gar - den, by the Lies - beek's win - ding
fame, Who has headed the lists with ho - nour, and we mean to do the

creek, Near the fields of Ar - um li - lies and the hedge of a - zure
same, So here's to the powers a - mong us, And - here's to the class - rooms
