

Zakar – Ruby Wilson

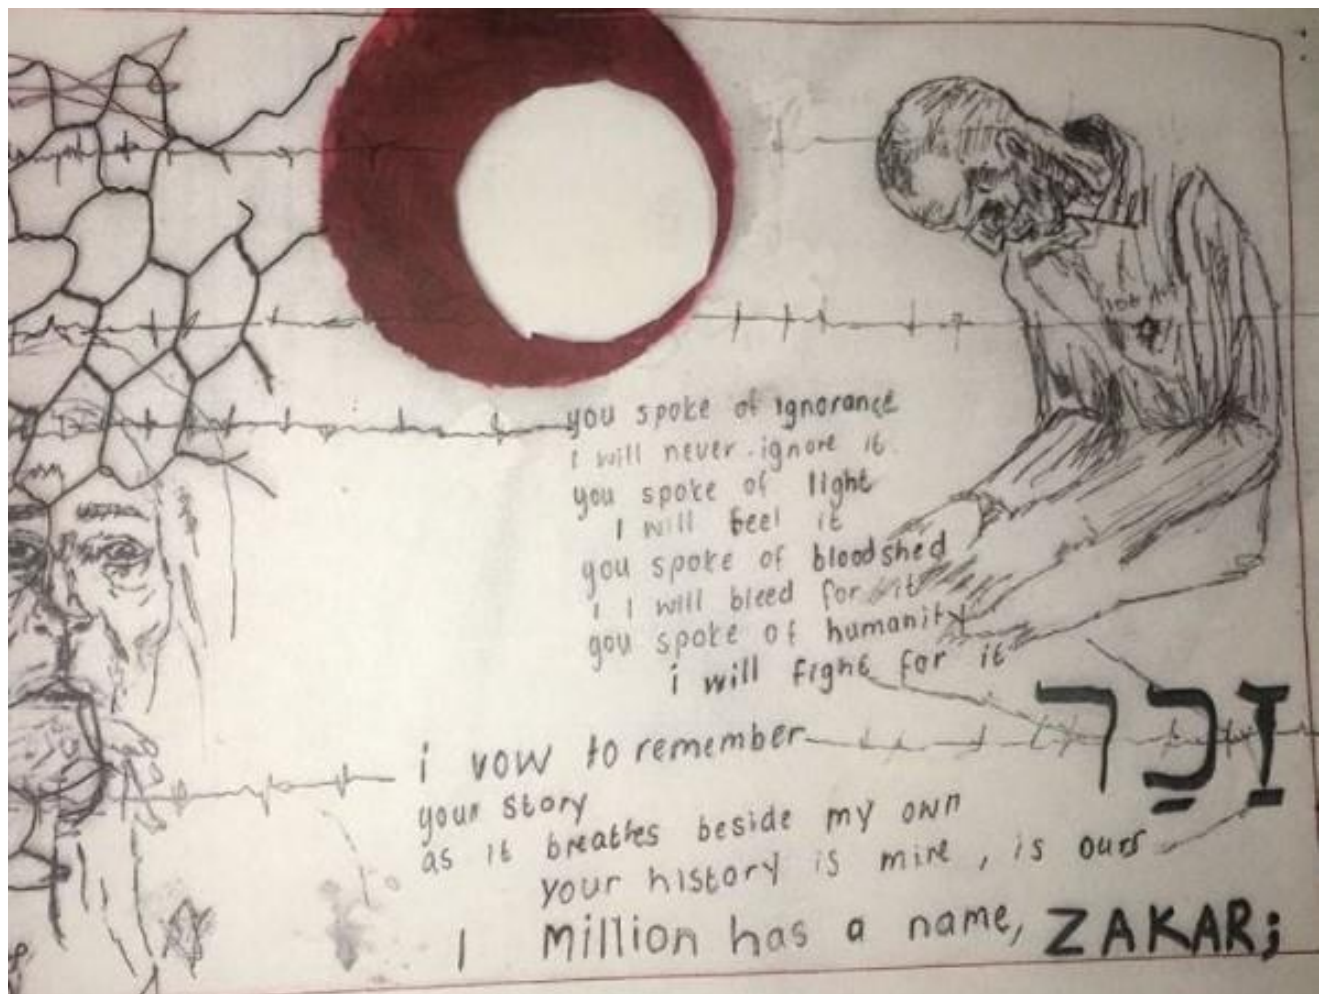

Zakar – Ruby Wilson

To feel history
I vow to remember
My emotion as it sat besides your own

Your name is not a number
Through me you did not die
Through us you do not sleep
The earth was silent
But your blood was loud

Your spoke of ignorance
I will never ignore it
You spoke of light
I will feel it
You spoke of bloodshed
I will bleed it
You spoke of humanity
I will fight for it

I vow to remember
Your story
As it breathes beside mine.
Your history is mine
Is ours
12 million has a name
Zakar;

you spoke of ignorance
I will never ignore it
you spoke of light
I will feel it
you spoke of bloodshed
I will bleed for it
you spoke of humanity
I will fight for it

I vow to remember
your story
as it breathes beside my own
your history is mine, is ours
