COMMEMORATING YOUTH DAY

At the start of Term 2 GEES WEEK, the whole school paid tribute to those who participated and lost their lives in the 1976 Soweto Uprising by holding a Youth Day Assembly. Learners from the History Department led the assembly and Gabriella Roodt (Grade 9) performed "We Shall Overcome" by Joan Baez to end off the multi-media presentation.

MANDELA DAY

During GEES WEEK, on the last day of term, we spent some time making sandwiches in our Tutor Groups for [Soul Food Africa](#), an organisation that feeds around 8200 people daily around South Africa. Thank you to all the Rustenburg families who donated bread and spreads.

GBV AWARENESS

On Monday 1 August, to mark the start of Women's Month, we supported the Western Cape Government's "human chain" initiative with a moment of silence, to create awareness of Gender-Based Violence in our province and country. Learners also created posters in their tutor groups.
