

FUEL THE PASSION: SPONSOR RUSTENBURG HOCKEY

At Rustenburg, hockey is a vital part of our school's heartbeat. During the winter months, our astroturf comes alive with the energy, drive, and skill of over 180 talented players across 10 teams. From high-stakes league fixtures to prestigious events like the U16 Champions Cup, our field is a bustling hub for both Rustenburg High and Rustenburg Girls' Junior School as they compete against top schools from across the region.

To keep our players thriving and elevate our facility to the next level, we need our community's support. We invite you to join us as an official sponsor of the Rustenburg Astroturf.
